1/4 pg	3-5/8"		4-7/8"
1/6 pg vertical	2-1/8"		4-3/4"

SPACE UNIT SIZE IN INCHES: Space can be used only in the above sizes. Space exceeding size indicated in any direction is considered bleed except for gutter bleeds in spread.

DIGITAL AD SPECIFICATIONS

PLEASE CONTACT THE PUBLICATION'S PRODUCTION COORDINATOR WHEN FILES ARE SUBMITTED.

PDF FORMAT Advertisers are encouraged to submit PDF and PDF/X1-A files prepared for press-optimized printing in CMYK with fonts embedded. For an Acrobat Distiller job-options file, and more information on creating acceptable PDF files, visit www.pentonads.com. Please note: PDF files lack the ability to be edited or altered (i.e. phone number, address, etc.) **PREFERRED APPLICATIONS** Ad layouts should be created using either QuarkXPress™; Adobe Pagemaker® or Adobe InDesign®. Provide all supporting graphics and fonts with application files. **PROOFS** Minimal requirement: a text and element proof to assist in preflighting digital ad files. For critical color match, digital halftone proof required (i.e. Kodak Approval, Dupont Digital Waterproof, Fuji FirstProof, etc.). Accurate color reproduction can not be guaranteed without an accompanying SWOP-certified proof. **PHOTO ELEMENTS** 300 dpi, actual size; CMYK color model; .tif or .eps format; no JPEG compression. **LINE ART/TEXT** 600 dpi minimum; CMYK color model; .eps or .tif format with color preview. To avoid registration problems in PhotoShop, black text should be created in black channel only. **COLOR TONE VALUES** To avoid over-saturation of ink, the total combined value of CMYK colors should not exceed 300% (i.e. C=100, M=100, Y=50, K=50). Any one color with a required value over 85% should be made solid. **COLOR MODE** Convert to CMYK prior to submission as color shifts may occur. Ads received in RGB color will be converted to CMYK. **FONTS** When submitting application files, include screen and printer fonts. For illustrations, it is recommended to convert text to outline, however outline text cannot be altered. **LETTERING** Reproduce all reverse lettering with minimal colors. Type smaller than 8 point with fine serifs should be avoided. **MEDIA** Mac or IBM CD, Zip 100, floppy or FTP Upload: <http://www.pentondigitalads.com> (No User ID and Password required) **INSERTS** Contact your Sales Representative for rates, production specifications, and shipping instructions, or visit www.pentonads.com.
